## Powertex Tattered Angel or Frayed Fairy

### 4-5 hour workshop

Making a fabric sculpture allows complete freedom of expression in creating wonderful figurines that have their own individuality and presence. Cheryl will guide you step by step to transform your unique Angel or Fairy with wire, aluminum foil, and Powertex fabric hardener. Whether you are a beginner or advanced artist, you'll love this Workshop!

***You will create a Fairy with double wings or an Angel with one set of wings. \*Basic class will create the 'faceless' figurine. Option to upgrade to bisque face day of workshop – additional \$10 paid to instructor. Figurine is approx. 18"***

Supplies needed:

- Plain cotton t-shirt with no side seams – LG OR XL \*no prints
- ¾" tan masking tape
- Min 75 feet standard aluminum foil – DO NOT USE HEAVY DUTY FOIL
- Box disposable gloves (you will go through a few pairs)
- Scissors that can cut fabric
- Some plastic and/or box to transport your piece home
- Students can also bring embellishments such as lace, doilies, etc.
