Stamped Gel-y Print Cards

Stamped Gel-y Print cards

3-hour workshop

Let's create some fun cards using our Gel Press® gel printing plates as stamps. We'll create cards using the positive and negative prints created with monoprinting. Learn how to get clean prints with your gelatin plate to create a set of greeting cards (6-8) perfect for any occasion.

**Gel Press® has given me permission to use the name Gel Press® in my class.*
