Stencil Me This! Mixed Media Portfolio Album

**sample project - class project may differ based on selection and availability

(4- hour workshop)

Cheryl has a riddle for you. What can you do with lots of The Crafter's Workshop stencils, paints, mists, and mediums on one of Canvas Corp's newer 12x12 Portfolios? How about creating a super fun mixed media album? Cheryl will share a variety of mixed media techniques as you create an album cover and a few journal pages for the inside. She will also show you a few different ways to bind the pages inside!

Student supplies needed:

- Paper trimmer
- scissors
- Modeling paste – (light)
- Palette knife (for scraping and applying texture) and brayer
- Baby wipes
- Heat gun
- Apron or clothes you don't mind getting painty!
- Paints
 - Min 2-3 favorite colors
